# **Plastics Exchange**

## **ADVERTISING OPPORTUNITIES**

Is your company looking to increase sales?

Advertising is vital to increasing sales and generating interest in the market place today.

Our publication, Plastics Exchange, is the ideal place for your company to reach potential customers.

**THE BEST MARKETPLACE  
FOR NEW AND USED  
PLASTICS PROCESSING  
EQUIPMENT**

Plastics Exchange is a quarterly printed catalog of New and Used Plastics Processing Equipment offered for sale. Our mailer is sent to approximately 3,849 targeted end users in the US, Canada, and Latin America of the Plastics Processing Industry. These users look forward in receiving our mailer each month for the equipment they may need. Plastics Exchange has become a number one source for information, machine listings, and supplies in the plastics industry.

We feel that an ad placed in our publication would generate a substantial interest and additional, ultimately resulting in your increased sales. Plastics Exchange feels confident in contributing to your increased business and success.

www.patriotfundingcorp.com

**EQUIPMENT  
FINANCING/LEASING  
SOLUTIONS**

We are a partnership  
& relationship driven  
company.

We Serve with Honesty, Integrity and Pride.

## **Patriot Funding Corporation**

Patriot Funding Corp. was founded in 1999 on the principles of assisting companies to grow their businesses by getting them the financial help they need to invest in the future. Our experience and history of success helping businesses has paved the way for our professional financial experts in developing a package that is right for you and your company.

We are a commercial finance company that specializes in equipment financing in the manufacturing and industrial sector. Patriot Funding Corp has recently added financial products to serve the technology sector as well as ABL Projects (Asset Based Loans)

We fund projects from \$ 5,000- \$ 5 Million with terms ranging from 12-84 months for A, B, & C clientele. We work in the US, Canada & Latin America with bilingual representatives.

## **Patriot Funding Corporation Products**

Patriot Funding Corp. has a diverse & complete product line of equipment financing & ABL products.

- Financing for New or Used Equipment
- Refinancing of Existing Debt Structures
- Customized Financing Packages
- Vendor Progress Payments
- No Client Too Small – No Client Too Large
- Terms from 12 to 84 Months
- Capital Lease – \$ 1 Purchase Option
- Operating or FMV Lease
- 100% Financing
- ABL (Factoring, PO financing, Sale/leaseback)
- Startup Financing
- Excellent & Professional Customer Service

Our objective is to take a consulting and advisory approach to every project. We emphasize understanding the client to provide them the best product, term & structure in a challenging economic landscape.

## Real-time Performance Management System

**Can you produce more without paying overtime?**

**Would you like to know what is happening on your shop floor in real-time?**

Monitoring production with eForeman putting you in full control for success

eForeman solutions are designed to help you achieve real-time operational visibility, optimize your assets and facilitate continuous improvement. In other words eForeman helps you to achieve **VIP status in your industry.**

**Visibility** on your production floor with real-time information 24/7 from anywhere. Remote access allows decision makers to receive real-time information at anytime.

**Improve** performance by increase in operator productivity by 15%. Realistic performance evaluation to each operator by using unique formula based on actual data.

**Pinpoint** reasons for every stop on your equipment. Easily analyze downtime for your entire production process
